

# PASRR (Preadmission Screening & Resident Reviews)

Preadmission Screening (PAS)				
Categorical Emergency >	Health & Safety of Individual	> NF (7 Days)		
Categorical Respite >	Vacation or Break for Caregiver	> NF (14 Days)		
Categorical Dementia >	Primary Diagnosis or Late Stage of Secondary Dementia	> NF (Long -Term)		
Normal PAS >	Decline in Overall Health	> NF (Long - Term)		
			Resident Review (RR)	
			Exp.Convalescent Stay (30+ Days) >	Determine Need for Extension of Recovery
			Expired Emergency >	Determine if Health is still a concern
			Expired Respite >	Determine if there is a health concern issue
			(Significant Change in Condition) >	Determine if Health has improved for Discharge
			No Previous PAS >	Determine if NF is Appropriate Placement
Dual Diagnosed Cases (Having both MR/DD and SMI) need to have concurrence between both Departments.				
All Determination Letters Issues may be appealed within 90 days of issuance.
